

TESTIMONIAL

Diocese of Salford Department for Evangelisation.

We invited the team from thinkBRITE to make an input for a recent course on interfaith and diversity. The team gave an excellent presentation on the Muslim Faith, which accurately reflected the questions of the course participants.

The presentation was informative and presented with humour and sensitivity. We look forward to working again with thinkBRITE as one of our partners in our work of education regarding inter faith.

Very Rev Paul J Cannon
Episcopal Vicar for Evangelisation.
